On the palate, it is refreshing, with a moderate alcohol content and a soft, barely noticeable tannin that complements the spiciness on the finish.

The **2024 harvest** highlighted the importance of strategic agronomic choices, particularly cultivating vineyards in hillside areas, which proved crucial for ensuring grape quality and health. After a mild winter and a rainy spring with below-average temperatures, summer brought a sudden heatwave, requiring careful water management to prevent vine stress. September saw milder temperatures and significant day-night temperature variations, enhancing aromatic complexity. The use of climate monitoring technologies optimized treatments and improved sustainability. Harvesting began in mid-September, with balanced ripening and high-quality, healthy grapes.

Bardolino DOC Corte Giara is a light and fresh red wine, with an elegant structure and versatile flavor profile that makes it ideal for pairing with a wide range of dishes. It pairs perfectly with appetizers such as cured meats and fresh cheeses, and it goes wonderfully with pasta dishes featuring light sauces, such as those based on tomatoes or vegetables. It is also an excellent choice for red fish dishes, like grilled tuna, and white meats, such as baked chicken or veal steaks. Additionally, Bardolino can be served slightly chilled, making it a perfect wine for outdoor summer meals.
