**Ripasso della Valpolicella** is the perfect combination of the red fruit profile given by fresh grapes and the richness of dried grapes on the palate. On the nose, we find cherries, strawberries, and cranberries, well supported by toasted and smoky notes. The palate is rich yet refreshing, with firm ripe tannins that linger and an aftertaste of red and black fruits that prolongs the sip

The **2023 harvest** was one of the most challenging on record. Below-average temperatures at the beginning of the year slowed the vine cycle, while frequent rains ensured water reserves but also increased the risk of fungal attacks. Careful vineyard management and strategic vineyard orientation allowed us to overcome these challenges successfully. The high temperatures in August further delayed ripening. Through canopy management, pruning, cluster thinning, and other measures, we ensured the grapes reached an optimal sanitary state despite extreme weather events

**Ripasso Corte Giara** pairs well with a variety of dishes thanks to its rich structure and complex aromatic profile. It is ideal with pasta al ragù, lasagna, or pappardelle with wild boar, where the wine's richness balances the heartiness of the dish. It is also perfect for meat stews, braised dishes, and casseroles, where the wine's tannins help balance the rich and complex flavors.
